5th January 2018

Dear Sir / Madam

### **Invitation to Launch of Cardiff Against Business Crime**

We are delighted to invite BID businesses to the launch of the new Business Crime Reduction Partnership for the city: Cardiff Against Business Crime (CABC). The event takes place at 2pm on 31<sup>st</sup> January in the Conference Room in the Old Library on Yr Hen Lyfrgell, Working Street, The Hayes, CF10 1BH.

Chairman of CABC Chris Parsons will open the event which will include details on how to join as well as sign up to DISC, what you can expect from CABC in terms of training and support as a business.

Ahead of the start of the Wales vs. Scotland 6 Nations Rugby the following weekend, there will also be a short presentation from the Wales Counter Terrorism Unit on Project Griffin which helps to inform your staff on how to deal with the threat of terrorism. They will be supported by the Cardiff EVAC team and they will be explaining what you need to do to prepare for a major incident and what to do when there is one.

MRS Communications will be present to sign up businesses to our new radio system CityNet which links businesses with CCTV, Police, Ambassadors and each other to ensure that issues are dealt with quickly and to make Cardiff a safe place for employees and visitors. The radio is free for the first 6 months and then just £194 for the next 6 months. Full details are on the download section of our website [www.FORCardiff.com](http://www.FORCardiff.com)

To RSVP please email [info@forcardiff.com](mailto:info@forcardiff.com). We look forward to seeing you there!

Yours faithfully
